Beyond Life's Gateway

There's an open gate at the end of the road
Through which each must go alone,
And there in alight we cannot see
Our Father claims His own.
Beyond this gate, our loved one
Finds happiness and rest,
And there is comfort in the thought
That a loving God knows best.
May God who calls our dear ones home
And grants them peace and rest,
Give us the strength and faith to say
That he indeed knows best.
