*What's really important in life as time goes by?  
It's the memories that belong to us alone.  
We've shared the laughter and the tears.  
The love that will always deepen.  
These are the things that mean the most,  
Always. . . .*

*A Life Well Lived*

A life well lived is a precious gift  
Of hope and strength and grace,  
From someone who has made our world  
A brighter, better place  
It's filled with moments, sweet and sad  
With smiles and sometimes tears,  
With friendships formed and good times shared  
And laughter through the years.  
A life well lived is a legacy  
Of joy and pride and pleasure,  
A living, lasting memory  
Our grateful hearts we'll treasure  
A life so very well lived.
