We'll Always Remember

That special smile
That caring heart
That warm embrace
You always gave us.
We'll always remember
You being there.
For all of us.
Through good and bad times
No matter what.
We'll always remember you
Because there'll never be any one
To replace you in our hearts.
And the love we will
Always have for you.

*God saw you getting tired
And a cure was not to be.
So He put His arms around you
And whispered, "Come with me."
With tearful eyes we watched you suffer
And saw you fade away.
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
You're now at peaceful rest.
God broke our hearts to prove to us,
He only takes the best.*
