In Loving Memory
Dontez

Before I Say Good-bye...

From your first breath to the first smile
Your visit wasn't long, but it was worth the while.
Your brother is confused and so am I.
God took your hand and we'll never know why.
I'll never forget this pain, but I must
let you rest and continue on.
We'll be together again, it won't be long.
You won't be forgotten and will always be remembered.
Every moment with you was a priceless treasure.
For now my heart hurts with you gone from my life,
I wanted to tell you that I love you,
before I say good-bye.

I hold you in my heart

*Each night I shed a silent tear
as I speak to you in prayer
To let you know I love you
and I miss you being here.*

*Even though you're gone,
we will never be apart.
God holds you in his arms,
I hold you in my heart.*

*I know you're in a place that's warm
and you will never be alone.
I'll wait for the day we meet again,
to hold you in my arms.*
