In Loving Memory Of

Delanie

So sweet, so tiny, she had to go...
A little turtle woman returned home.
A Takoja to be loved,
by all who went before...
Beautiful and perfect, we will miss you forever more.
Tears and love cannot express
The pain, and sorrow when you left.
Delanie Autumn Jayne Arrow Momma loves you and so does
big sis.
Until we are reunited again, my girl, you will be greatly missed

Delanie

She so lovingly held her baby sister in her arms, so tender. She never once wanted to leave her side. Tiny tufts of hair wrapped in the cutest flower around her cute little head.
