In Loving Memory

Joyce

Reunited again...

Our Mom

Jesus said to me
Oh child come to thee
Your plea I hear
Come oh come draw near
Eternal life I give to you
And my words are so true
Remember when you and Clayton wed
Living a new life without Rena & Ted
Eight children you were blest
Now living in your loving nest
Empty was your heart
When Donna and Clayton did depart
Rise my child and come my way
Injuries and bad health I take away
God gave me his sheep to tend
Hear me now daughter, sister, wife,
mom, auntie, grandma, great
grandma and friend
Today a new life will begin and an old
one will end
