An Angel Never Dies

*Don't let them say I wasn't born
That something stopped my heart.
I felt each tender squeeze you gave,
I've loved you from the start
Although my body you can't hold,
It doesn't mean I'm gone.
This world was worthy not of me,
God chose that I move on.
I know that pain that drowns your soul,
What you are forced to face.
You have my word, I'll fill your arms,
Someday we will embrace.
You'll hear that it was meant to be
God doesn't make mistakes,
But that won't soften your worst blow,
Or make your heart not ache.
I'm watching over all you do,
Another child you'll bear.
Believe me when I say to you
That I am always there.
There will come a time, I promise you
When you will hold my hand
Stroke my face and kiss my lips,
And you'll understand.
For a short time I breathed your air,
And gazed into your eyes,
But, that doesn't mean I never was,
An Angel never dies.*
