

WE THOUGH OF YOU TODAY

We thought of you with love today,
but that is nothing new.

We thought about you yesterday
and days before that, too.

We think of you in silence,
we often speak your name

All we have now are memories
and your picture in a frame.

Your memory is our keepsake
with whom we will never part.

God has you in His keeping,
we have you in our hearts.

If love alone could have saved you,
you never would have died.

In life we loved you dearly,
in death we love you still.

In our hearts you hold a place
no one can ever fill

It broke our hearts to lose you,
but you didn't go alone

For a part of us went with you
the day God called you home.
