In Celebration of the Life of

Clara Lou Nadeau

Our Mother

She had strength beyond strength
And faith beyond faith.
She had nothing, yet would give you everything.

She had courage and strength
And determination and grit.
She was brave and beautiful.

Now there is no pain.
Now there is no fear.
Now there is only comfort, peace and joy.

She is free, she is happy again
And home where she belongs.

She lives on; she is in us,
And she is with us, always.

She is the light
That will never go out.
