

Jenny was born December 13, 1998, to Thomas Miller and Stacey Havemann, middle sister to Tessa and Michelle.

She resided in Hidden Timber on the ranch with her grandparents, Marvin and Doris Havemann. While on the ranch, she attended Klein Elementary where she graduated 8th grade, participating in basketball and track.

Jenny attended Valentine High School her freshman and sophomore years, where she made life-long friends. She moved to Rapid City, SD and graduated from Douglas High School in 2017 while living with her uncle Jimmy and aunt Vicky.

Jenny made friends wherever she went and her vibrant smile made a lasting impression on those she met. There was never a dull moment with her. She always brightened up the room when she walked in. She was always there for anyone, always willing to listen. She was a great listener and the best friend anyone could have. Being kind-hearted and empathetic was just in her nature. She loved reading, making art and listening to music. Drawing and reading poetry were just some of her many passions. Jenny had a gentle, humorous, loving, alluring soul. She was truly one of a kind; Extraordinary! She had a heart of gold and would do anything for anybody. She was an incredibly beautiful person, inside and out.

She is survived by her grandparents Marvin & Doris Havemann; 2 sisters: Tessa Miller (son Thomas) and Michelle Hackett (son Daniel); aunt Criss Havemann Week & husband Will; uncle Jimmy & aunt Vicky; special cousins: Kelly Lambert (daughter Addalynn) and Brandi Havemann Combs & husband Jason (daughters Deanna, Tyeler, MaKaylin and Olyvia); and many special aunts and uncles.

Jenny was preceded in death by her father Thomas Miller, mother Stacey Havemann, great grandparents: Thomas & Athel Whiting and Ernest & Emma Havemann, great aunt Marilyn Herman, and uncle Doug Miller.

**Remember Me**

Don't remember me with sadness  
Don't remember be with tears  
Remember all the laughter  
We've shared through the years  
Now I am contented  
That my life was worthwhile  
Knowing that as I passed along the way  
I made somebody smile  
When you are walking down the street  
And you've got me on your mind  
I'm walking in your footsteps  
Only half a step behind  
So please don't be unhappy  
Just because I'm out of sight  
Remember that I'm with you  
Each morning, noon and night
