

Never Say Goodbye

*There can be no goodbyes for us
It'd be too painful, dear
Our connection still lives on
Although you're far from here*

*I miss the times that we once had
But one day, once again
I'll hold you close and laugh with you
I just wish I knew when*

*Each moment 'til that day arrives
Until my time is through
I'll miss you more than words can say
And always think of you*

*I'll look for you among the stars,
And each dawn's pastel sky,
And whisper words of love to you
But never say goodbye*

Tia Marie

A Light From Our Household

A light from our household is gone,
A voice we loved is stilled
A place is vacant in our home,
Which never can be filled.
We have to mourn the loss of one
We did our best to save.
Beloved on earth, regretted still,
Remembered in the grave.
'Twas hard to part with one so dear,
We little thought the time was near
Farewell, dear one, your life is past,
Our love for you till the end will last.
