Always On My Mind

Maybe I didn't love you quite as often as I could have
And maybe I didn't treat you quite as good as I should have
If I made you feel second best, girl I'm sorry I was blind.

You were always on my mind, you were always on my mind

And maybe I didn't hold you all those lonely, lonely times
I guess I never told you, I'm so happy that you're mine
Little things I should have said and done, I just never took the time

But you were always on my mind, you were always on my mind

Tell me that your sweet love hasn't died
And give me one more change to keep you satisfied
I'll keep you satisfied. Little things I could have said and done
I just never took the time. But, you were always on my mind
You were always on my mind

REMEMBER ME

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.

Now I am contented

That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.

When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.

So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.
