

*We didn't have
to look into your eyes
to fall in love with you.
We didn't need
to hear you cry
to know you loved us too.
We didn't need
to hold your hand
to cherish you for always.
Within my womb,
we shared our hearts.
You touched our souls.
You sweetened our spirits.
You gave us memories
we'll always hold dear.
Yes. Our hearts ache
since you departed too soon.
But a father and mother's love
does not end with death.
For you are our child.
Forever our love is yours.*

Heaven's
Little Angel

You're one of Heaven's angels now
A perfect little star,
And when you shine the world can see
How beautiful you are.

May you fly with magic wings
On clouds so soft and white,
May your heart be joyful
And your days be bathed in light.

And though our hearts are broken
And your life was far too short,
We thank you, sweetest angel,
For the happiness you brought.
