

When I'm Gone

When I come to the end of my journey
And I travel my last weary mile,
Just forget if you can, that I ever frowned
And remember only the smile.

Forget unkind words I have spoken;
Remember some good I have done.
Forget that I ever had a heartache
And remember I've had loads of fun.

Forget that I have stumbled & blundered
And sometimes fell by the way.
Remember I have fought some hard battles
And won, ere the close of the day.
Then forget to grieve for my going,
And remember the place where I lay,

And come in the evening
When the sun paints the sky in the west,
Stand for a moment beside me
And remember only my best.
