The moment that you died
My heart was torn in two,
One side filled with heartache,
The other died with you.
I often lie awake at night,
When the world is fast asleep, and
Take a walk down memory lane,
With tears upon my cheeks.
Remembering you is easy,
I do it every day,
But missing you is heartache
That never goes away.
I hold you tightly within my heart
And there you will remain.
Until the joyous day arrives,
That we will meet again.

Sacred Lightning

When Tomorrow Starts Without Me

When tomorrow starts without me,
And I'm not there to see;
If the sun should rise and find your eyes,
All filled with tears for me.

I wish so much you wouldn't cry,
The way you do each day,
While thinking of the many things,
We didn't get to say.

I know how much you love me,
As much as I love you;
And each time that you think of me,
Please know I miss you, too.

But when tomorrow starts without me,
Please try to understand,
That an Angel came and called my name,
And took me by the hand.

The Angel said a place was ready,
In heaven up above;
And that I'd have to leave behind,
All those I truly love.

I had so much to live for,
So much yet to do.
It seemed almost impossible,
That I was leaving you.

When tomorrow starts without me,
Don't think we're far apart;
For every time you think of me,
I'm right here in your heart.
