*Sister and Best Friend*

*The moment I realized, my sister just died.  
My hands cradled my face, and I frantically cried.  
Why did this happen and how could this be.  
She had so much to live for, we could all clearly see.  
My heart simply dropped and felt a sharp pain.  
My tears fell instantly like a severe August rain.  
I was truly lucky to have a sister like her.  
Countless others nod and concur.  
I will miss our talks and her comforting voice.  
And those random moments where we'd mutually rejoice.  
Rest in peace Sister and best friend,  
My deepest love, to the sky I shall send.*
