What I Know ...

I know you soar with angels now  
And that your heart has wings.  
I know you're watching over me  
Whatever this world brings.

I know you were a gift from God  
And that you're safe above.  
I know I will see you again  
And once more feel your love.

I know you live in Heaven now  
And that I must go on.  
I know my heart will ache for you  
Until my time is done.
