I Am Coming Home

On Sunday, March 3rd, the God we
Sigangu Lakota pray to called me home
to be with my Tiospaye who have gone
to the Spirit World.

Have my family grieve for me for 4
days only, and on the 5th day, when
Ampi Wi peeks over the Eastern
Horizon, smudge, go outside with the
tobacco, a spirit plate, spill out coffee,
pray and let me go.

Afterwards, wipe their tears Tunkasila
and remember me in their prayers so
that one day we will all be together.
